Neil Jensen  
Chairman

I would like to extend a warm welcome back to all our members returning from their travels. Autumn always brings with it a renewed sense of energy, it's been particularly exciting to see the corridors buzzing with energy again, and I am looking forward to an exciting season ahead across all our sports.

Before looking forward, I must reflect on what was truly a highlight of the summer: the HKFC Annual Sports Awards Gala. It was a fantastic evening celebrating the achievements of our athletes and contributors. Congratulations once again to all of our winners. This year, the Club has taken the step of engraving their names on the second floor, establishing a lasting tradition of recognising excellence. Future winners will join this distinguished list, ensuring their accomplishments are honoured for years to come.

I am also pleased to share two new initiatives that reflect the Club's commitment, both to our members and to the wider community. First, we have established a connection with a number of local dog rescue shelters. With the extreme weather conditions over the past few months, there has been a great need for supplies. The Club will be donating used towels and linen, which we would otherwise have disposed of, to assist the shelters in their efforts.

The Club will be introducing specific strength and conditioning group classes to the Training Triangle. As a HYROX affiliate, we will look to provide specific training for all levels in the coming months.

With plenty to look forward to, I am optimistic that the season ahead will be both successful and memorable. I look forward to seeing many of you around the Club as we enjoy the months to come together.

熱烈歡迎所有旅行歸來的會員回到本會。秋天總是帶來新的能量，看見本會四周再次充滿活力，實在鼓舞人心，期待本會所有體育項目都會迎來一個精彩的新賽季。

展望未來之前，必須回顧一下這個夏天最重要的盛事，就是年度香港足球會運動員頒獎典禮。這美妙的一晚是為本會運動員及作出貢獻的成員而設，慶祝他們的卓越成就，在此再次祝賀各位得獎者。本會今年更踏進一步，把得獎者的名字刻在二樓，以建立一個表彰卓越的長遠傳統，未來的得獎者亦會榜上有名，確保他們的成就往後也得到表彰。

同時，本會致力為會員及廣大社區盡心服務，因此很高興與大家分享兩個有關的新措施。首先，我們已經與幾個本地狗庇護所建立聯繫，除此之外，過去幾個月的極端天氣令庇護所的物資需求大增，本會將捐出原本要棄置的舊毛巾及床單，協助庇護所展開工作。

本會將在訓練場引入針對肌力及體能的團體班。作為 HYROX 官方合作夥伴，我們將會於未來幾個月為所有水平的學員提供針對性訓練。

之後有很多精彩的活動等著大家，相信新賽季將會是成功而難忘的一季。就讓我們一起享受接下來的季節，期待與大家在平會相見。

### 總經理的話

It's a real pleasure to see many of you back at the Club after your summer breaks and getting ready for new seasons. In some recent communications, you will have read that the team has been very busy with repairs and maintenance work over the summer. There have been other changes too. Even this magazine looks a bit different and will now be a quarterly edition, not monthly. The main reason for this is due to the timing of a monthly publication. We are so busy during the period from September to July that when we are pulling together the magazine, it's very often old news by the time it comes to print. Having a quarterly edition will enable us to review the past while also looking ahead over a longer period.

There have been changes in personnel too. We welcome all the new members that have joined, over 130 of them at the time of writing. Whether you are representing teams or just enjoying the facilities, please feel at home, get stuck in and introduce yourself to people. Our Club is built on members, and I am sure that you will be made to feel welcome. On the staff side, we welcome some new team members across the Club, with a special welcome to our new Director of Rugby Operations, Andrew Durutalo, who joined us in August. We also say goodbye to Logan Asplin who takes up an exciting new role at Hong Kong China Rugby as their new Head Coach. Thank you for your service Logan. We wish you and the team all the very best in your preparations for the 2027 Rugby World Cup. We know you and the squad will do us proud and you will always be welcome at your second home.

We've also been working very hard behind the scenes on our facility planning for the future, and more will be communicated over the next several months. But you will have seen the new plunge pools and the new decking outside the Sportsman's Bar, which are great additions to help with enjoying sport and recovering after, whether that's a cold plunge or a cold beer!

A few other things of note that are worth mentioning: A new partnership with LUÜNA, which will enhance the experience for our ladies across the Club (please see page 15). It's been a busy time for recruitment with Andrew coming on board, and the search for the new Director of Sport, which is ongoing and takes time. However, it's crucial that we find the right person for this role. We've also been very busy in the planning and designing of the new Club app which is planned for launch in Q1'26, and we'll be asking some members to help with the prototype later this year.

Lots of very positive things happening at the moment, and in the next issue I hope to have more information to share on some other developments within our great club. In the meantime, enjoy being back in the swing of things and get behind our teams who will be wearing the badge with pride.

很高興見到很多人於暑假過後回到本會，為新賽季作準備。在最近的通訊中，大家可能已經了解到我們的團隊夏季忙於維修及保養工作。除此之外，本會還有其他變化，就連這本會刊看起來也略有不同，並且從原本的月刊改為季刊，主要原因是月刊的出版時間較短，我們9月到7月的賽季期間相當忙碌，先前每當整合好會刊後，內容於印刷時往往已經過時，現在季刊讓我們能夠回顧過去之餘，亦可以展望更長遠的未來。

本會人事也有變動。首先，歡迎所有新會員加入本會，下筆之際，新會員人數已超過130人，無論你是代表球隊，抑或只是享受設施，請把本會當成家一樣，並融入其中，向大家介紹自己，本會以會員為本，所以肯定大家都會在這裡感到賓至如歸。員工方面，我們在本會各處都迎來一些新面孔，在此特別歡迎8月加入我們的新機球營運總監 Andrew Durutalo。同時，我們也向轉任中國香港15人機球隊主教練的 Logan Asplin 告別，這是個令人興奮的新職位，感謝 Logan 為本會效力多年，我們祝福你及球隊在2027機球世界盃的備戰一切順利，相信你們會為港爭光，而本會永遠都會歡迎你。

我們也在幕後絞盡腦汁，規劃未來的設施，之後幾個月會公布更多有關消息，不過，大家肯定已經看到新冷水浴池及 Sportsman's Bar 外面的新地板，享受運動後，來個冷水浴或冰凍啤酒，後續恢復自然事半功倍！

此外，還有其他值得一提的事項。首先，本會與 LUÜNA 建立合作夥伴關係，這個合作將令身處本會的女士享有更舒適的體驗，可閱讀第15頁以了解更多。多個職位的招聘工作亦進行得如火如荼，除了 Andrew 上任，我們正物色新體育總監，雖然過程需時，但最重要是找到合適人選擔任這個職位。我們也一直忙於規劃及設計新的 Club 手機應用程式，應用程式計劃於2026年第一季推出，今年稍後將邀請部分會員幫助測試原型。

總括而言，目前有很多非常正面的事情發生，希望下期會刊能分享更多有關本會其他動態的資訊。與此同時，一起享受重返賽季的喜悅，並到我們球隊身後，為自家地展示本會隊徽的運動員打氣。

MEET THE NEW SOUS

# CHEF LORCAN

BRINGS GLOBAL  
FLAIR TO HKFC

Meet Lorcan Tang, the Dublin-born sous chef whose 15-year journey from bistros in the Irish capital to Michelin-starred kitchens now finds his home in Sports Road. Chef Lorcan shares his philosophy, his passion for growth, and his vision for the club's dining experience. Lorcan explains when asked about the Restaurant's new direction, "playing with ingredients, moving towards a Mediterranean fusion—different from the typical Western restaurant scene outside". The Restaurant will be serving a new menu to members from September onwards.

Fresh into his role after three months, Chef Lorcan is armed with a formidable resume. He's honed his craft under culinary luminaries: Tom Higgins (UK), the two Michelin-starred Kevin Thornton, experiences with top chefs in Singapore and in the Rosewood Hotel in Hong Kong, and even with David Beckham's former private chef.

It was his time at the Hong Kong Rosewood Hotel's opening that pushed him professionally. Joining in 2019 amidst a time of social unrest in the city, he led a 120-seat outlet with 25 staff after the head chef's sudden departure.

**"WITH THE EXECUTIVE CHEF'S SUPPORT, I STEPPED UP. IT TAUGHT ME CRUCIAL LESSONS IN COMMUNICATION, DELEGATION, AND RUNNING A LARGE OPERATION—IT FUNDAMENTALLY MADE ME A BETTER CHEF".**

Chef Lorcan's career began at the age of 16 in Dublin, fueled by childhood curiosity. "I would raid the fridge to make fried egg sandwiches," he laughed, reminiscing about being inspired by his parents' hard work putting food on the table. "I never imagined that spark would ignite a global career". So, for all of you guys who love a cheeky midnight sandwich, there's hope for your culinary career yet. To young, aspiring chefs,

his advice is unequivocal: "Find that passion or adrenaline and stick with it. Do something you love". He emphasizes going beyond just following orders. "Deliver something on a plate made with passion. Show interest, ask questions, learn. That's how you grow."

From Dublin to Hong Kong, Chef Lorcan embodies a global passion for food. His journey reflects enthusiasm, cross-cultural fusion, and a deep-seated belief that great food is born from passion, precision, and a willingness to learn.

## 3 TRAP BAR JUMPS &amp; EXPLOSIVE EXERCISES

**What it is** | Jumping with a loaded trap bar or performing plyometric drills like broad jumps and bounds.

LUÜNA founder Olivia Cotes-James sharing her story and how LUÜNA came to be

## INTERVIEW

# BREAKING INVISIBLE BARRIERS WITH LUÜNA X HKFC

In Hong Kong, a quiet yet powerful shift is beginning to take root in support of women's health, and the Hong Kong Football Club is ready to lead by example. Partnering with LUÜNA, a social enterprise founded by Olivia Cotes-James, HKFC has taken the bold step to normalise menstrual care in sports spaces, ensuring every member feels supported and seen.

Liv, LUÜNA's founder, understands the issues firsthand, and through conversations with women in Hong Kong and Shanghai which evolved into a community. These conversations revealed the prevalent issue that traditional options create significant environmental damage and pose risks to our health, both due to the plastics in the existing products.

This inspired LUÜNA's dual mission: creating sustainable, transparent period

products and using revenue to support underserved communities. But launching products was only half the battle. The greater challenge? Convincing institutions and companies alike that free menstrual care is essential. HKFC, however, stands out from the silent crowd of companies.

When periods were highlighted as a barrier for women in sports during a panel discussion, the Club acted swiftly and decisively. "It wasn't long between that moment and implementation," Liv notes, calling HKFC a rare leader for its quick response. This alignment is deeply personal: "The link between sports and menstrual health has always been critical." Lack of support affects everyone—from gym-goers to athletes to everything in between.

For our members, the impact is immediate. With LUÜNA products

now in Club washrooms, potential embarrassment turns into seamless confidence—a small change with profound implications for participations and comfort. While LUÜNA now serving over 3000 washrooms across Asia, Liv eyes broader horizons: stadiums, entertainment venues and public spaces.

HKFC's partnership transcends practicality. It sends a clear message: menstruation is a normal part of life and athletic pursuit. And this partnership further drives home the point that HKFC is a premier sports club that encourages all its members to excel. By removing this barrier, the Club champions well-being and inclusivity for all members—proving that progress thrives where empathy meets action.

Watch out for further updates on the instalment of LUÜNA period products in HKFC bathrooms.

INTERVIEW

# MOSTAFA ASAL

EGYPT'S SQUASH  
SUPERSTAR IN CONVERSATION  
WITH HKFC

At just 24 years old, Mostafa Asal has already been identified as an Egyptian squash prodigy, having already reached the rank of World's No.1. Hong Kong Football Club recently had the privilege of hosting his elite training camp for budding squash players, where we also took the opportunity to sit down with him for an exclusive interview. Asal's developed a strong affection for HKFC, proudly calling it "one of the best clubs ever", and the dedication the Club and its members have to all of our sports is not lost on him. **"The members here love squash and all the other sports in the Club"**. Known for his explosive playing style and relentless determination, Asal divulged to us his journey, rigorous training and plans for the future.

Photo Credit: SCMP  
Asal battling Elias in the Hong Kong Open

## From Rookie to World Champion

Asal can trace his squash history back to 15 years ago when he first picked up a squash racket at age 9, having been inspired by his uncle, a former professional player and coach. Perhaps unsurprisingly to his fans, it wasn't the first hit of the racket that got him hooked, but rather the rush of competition. "I didn't even like squash at first," he admitted openly, laughing as he did. "But once I started competing, I became addicted to the speed and intensity of the game."

His kickstarted enthusiasm paid off quickly. By the time he was 16, he turned pro in Egypt's fiercely competitive squash circuit where many get a young start on the sport and players are known for their early development and intense training regimens.

“

"In Egypt," Asal explained, "we start so young that by 30, many players are already veterans."

”

## A Season of Triumphs

Though he started at 9 years old, it wasn't until the 2024-25 season that marks Asal's arrival as a true squash contender. He captured his first PSA World Championship title—widely considered the most prestigious and elite tournament in professional squash, for those who may not be squash-aware—in an epic final against long-time rival Ali Farag, a player who he's faced over 20 times and who has also proved to be a legendary player. The victory was part of an outrageous 25-match winning streak that cemented Asal's reputation as one of the sport's most dominant players.

But it's more than just rocking up to court with normal training under your belt. "Squash demands everything from you—physically, mentally,

emotionally," Asal explained to us. "You train four to five hours daily, travel constantly and push through injuries." His secret? Arriving at tournaments a week early to adjust to time zones and fine-tune his game.

And as a piece of advice for anyone who's driven to pursue going pro in squash, your mental health and resilience will need to be as high level as your physical abilities. "Squash is you versus you," he advised those he trained. "If you're not believing (in yourself) or believing that you're going to beat this player, you're not going to beat him."

At just 24, Mostafa Asal has already achieved what most players dream of their entire careers. Yet with his combination of raw talent, relentless work ethic and passion for growing the game, it's clear that his greatest achievements are still yet to come.

# THE LANSDOWNE CLUB

**W**hen you spend most days (and nights) at HKFC (I know I do), travelling can feel like the loss of routine. With over 100 reciprocal membership clubs at the tip of your fingers, what better way to make more use of your membership than to feel closer to home.

Nestled in Mayfair, the heart of London's West End, is the Lansdowne Club whose heritage dates back to 1763, and is not only one of the most exclusive private Members' Clubs in

London, but also one which has welcomed both men & women with equal status since its inception—a feat for any private club at the time!

Today, it maintains its prestige through its luxurious array of facilities and events, and HKFC members are more than welcome to make use of their reciprocal membership during their next trip to London by staying in one of the Lansdowne's 73 rooms and suites. Tastefully designed and perfect for any Hong Konger who wants to skip town for a cheeky holiday.

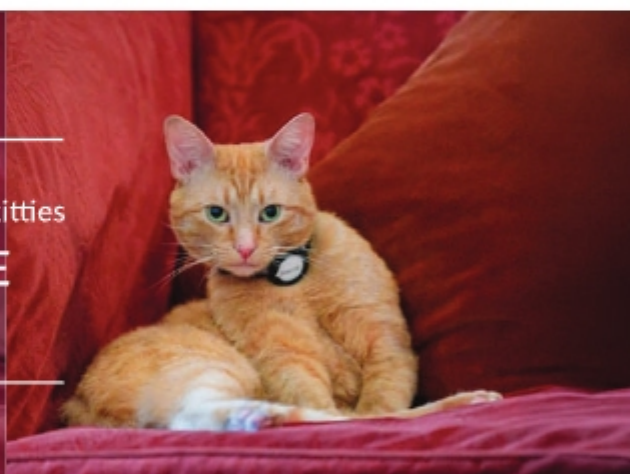

While you're there, make use of their dining & facilities! After taking a dip in the indoor pool, a hit at the squash courts (perfect for our squash enthusiasts and section players who want to continue their routine) or taking a stab at the fencing salle, you can grab a bite at their Courtyard Brasserie and a drink in their historic Round Room Cocktail Bar. If the courts or pool are not your cup of tea, there's also a full schedule of fitness classes and personal trainers available.

And when the busy day is done, there is always an event held at the Lansdowne to fill up the rest of your time.

## The Midnight Feast, Lucy Foley

Genre: Mystery Thriller

Rating: 4/5 ★★★★★☆

**Blurb:** It's the opening night of The Manor, the newest and hottest luxury resort, and no expense, small or large, has been spared. The infinity pool sparkles; the "Manor Mule" cocktail (grapefruit, ginger, vodka and a dash of CBD oil) is being poured with a heavy hand. Everyone is wearing linen.

But under the burning midsummer sun, darkness stirs. Old friends and enemies circulate among the guests. Just outside the Manor's immaculately kept grounds, an ancient forest bristles with secrets. And it's not too long before the local police are called. Turns out the past has crashed the party, with deadly results.

THE GIRLBOSS · THE HUSBAND · THE KITCHEN HELP · THE MYSTERY GUEST

Everyone's got a secret. Everyone's got an agenda. But not everyone will survive... *The Midnight Feast*

## Sunrise On The Reaping, Suzanne Collins

Genre: Young Adult

Rating: 4/5 ★★★★★☆

**Blurb:** When you've been set up to lose everything you love, what is there left to fight for?

As the day dawns on the fiftieth annual Hunger Games, fear grips the districts of Panem. This year, in honour of the Quarter Quell, twice as many tributes will be taken from their homes.

Back in District 12, Haymitch Abernathy is trying not to think too hard about his chances. All he cares about is making it through the day and being with the girl he loves.

When Haymitch's name is called, he can feel all his dreams break. He's torn from his family and his love, shuttled to the Capitol with the three other District 12 tributes: a young friend who's nearly a sister to him, a compulsive oddsmaker and the most stuck-up girl in town. As the Games begin, Haymitch understands he's been set up to fail. But there's something in him that wants to fight... and have that fight reverberate far beyond the deadly arena.

# MEN'S SOCCER FIRST TEAM A NEW BEGINNING

BY GEORGE YANG

**O**n the 1st of August, the Hong Kong Football Club First Team held its press conference and media day in anticipation of the upcoming new season. In the press conference, Head Coach Chancy Cooke outlined the objectives for the season and the focus on youth development for Hong Kong's footballing ecosystem. The First Team had the most young player debuts in the previous campaign and looks to continue to foster an environment for young players to get the chance to play in the highest level of football available in Hong Kong.

Further, the First Team also unveiled the new playing kits supplied by Puma in the press conference. The Puma kit honours HKFC's iconic colours while integrating advanced performance features. Equipped with PUMA's dryCELL moisture-wicking technology and ultra-lightweight, sustainable fabrics, the kit offers unparalleled comfort and style for players and fans alike. Puma will supply all football-related apparel and equipment for HKFC's soccer section over the next two seasons. At the official kit launch, Hong Kong U22 representative Yoshi Chan Ho Ka, alongside teammates Naveed Khan, Aristide Gry, and Dipen Gurung, showcased the new designs.

## SENIOR SOCCER SECTION SEASON 2025/26 PREVIEW

BY GEORGE YANG

As we gear up for yet another season of football, the section is looking forward to seeing the team assembled by Chancy Cooke in the Hong Kong Premier League, the highest possible football available locally. The previous season saw massive changes implemented in the First Team. The section objective of fostering youth development has seen many young talents produced by our esteemed youth academy, awarded with debuts last season. Nicholas Kedwards, Jack Bennie and Cai McGunnigle are just a few names that have gone through our youth academy and made a senior appearance for the First Team. We look forward to seeing more talents coming through the ranks this season and much more of the ball possession, quick passing and high press that Chancy has begun to implement in the way that the first team plays.

The women's 1st team competed in the Jockey Club Women's Football League 1st Division last year avoiding relegation to the 2nd division. They came top of the relegation group after the league split into Championship and Relegation Group but will look on this season to try and get into the Championship group this upcoming season and finish higher than the previous year.

Lucky Mile finished 4th last season in the 2nd division coming very close to the promotional spots. Just as the team thought they had missed out on promotion, several fortuitous factors led to the football association of Hong Kong, China, restructuring the division in Lucky Mile's favour. They will be competing in the 1st Division, one tier below the Premier League, in the coming season. The LM boys

will look to stay in the division this upcoming season and be competitive against the likes of yesterday giants such as South China.

As to our Yau Yee League sides, Wanderers gaffer, Tom Halder, is stepping down as commander in chief this upcoming season. This change may not be a welcoming one for the Wanderer boys as Rich's Albion looks to build on his first season in charge and challenge the stronghold that the Wanderer boys had in the league in recent seasons. Our Club Academy will aim to make it back to the top 3 so the club can finish in the top 3 places in the YYL First Division, claiming complete dominance in the league once again. We can't wait to see what drama unfolds this season!

Finally, our social sides of Dynamics, Rovers and Gazelles will look to continue having strong social matches on Friday evenings against friends of the section and against one another, often seeing several players playing for 2 teams on the same evening!

## HKFAC ANNUAL DINNER AND AWARDS CEREMONY

BY GEORGE YANG

On July 22nd, representatives from the soccer section attended the Football Association of Hong Kong, China's Annual Dinner and Awards Ceremony to celebrate the success the section had in the previous HKFAC season. Congratulations to Mathias Tong, who plays in our HKFC under 14 Premier Youth Team for winning the Most Valuable Player Award in the division. Our youth teams were very competitive throughout this past season with our PYL HKFC U18 winning the F.A. Youth Cup as well as coming second in the season.

In women's football, Jeanne Duporion from the Women's 1st team was nominated for Women's Footballer of Year but unfortunately was not able to come home with the prize. However, a huge congratulations to her for being one of seven players nominated for the prestigious award.

In attendance were also representatives from Lucky Mile, who were presented with a 4th place trophy in 2nd Division. A fortunate turn of events has led them to be promoted to the 1st division for the season 2025/26. The

promotion was based on league positions obtained in the 2024/25 season and well deserved for a team that was very close to the promotion places throughout the past season. A huge congratulations to Shinn and the team for getting Lucky Mile back to where they should be.

## SUMMER SOCCER SIXES

BY GEORGE YANG

In July, the soccer section hosts an annual Summer Soccer Sixes tournament for section members and the wider HKFC Community to enjoy. This year's edition saw the Rugby and Squash Section enter once again with several friends of the section teams alongside competitive and social sides of the section. The games take place over the course of the month on the usual Tuesday training slots to ensure a little bit of fun across club and section.

A huge thank you to all those that participated in the Annual Summer Soccer Sixes this year! The last Tuesday of July saw a fierce Cup final battle between Wanderers and Lucky Mile. Wanderers and Lucky Mile drew in the round robin match but Wanderers were able to find the winning goal in the Cup final to secure victory and claim the 2025 Summer Soccer Sixes Cup!

Congratulations to the Squash Section for winning the plate and MAFC for winning the Wooden Spoon. Fair play award went to Kieran Flynn for his great efforts in providing everyone with no nonsense, professional refereeing over the course of the tournament! Thank you Matt Littlefield & Jeff Ho for all your work organizing the tournament for members and friends to enjoy!

## OUR NEW DIRECTOR OF RUGBY OPERATIONS

# ANDREW DURUTALO

It's not every day that a club welcomes someone who has played on rugby's biggest stages—and then some. But this season, Hong Kong Football Club Rugby is doing just that with the arrival of our new Director of Rugby Operations, Andrew Durutalo.

It should not be understated how excited we are to announce Andrew's hiring. It's a nod to our ambition to run our rugby programme with the same precision and professionalism you'd expect from an elite sporting organisation. And in Andrew, we've found someone who knows exactly what that looks like.

With an education and career that spans several continents, Andrew has a wealth of life and sports experience to call upon. His playing journey has taken him from the USA Eagles—earning 22 caps in Fifteens and over 40 HSBC World Rugby Sevens Series appearances—to the 2015 Rugby World Cup and the 2016 Rio Olympics.

On the professional front, Andrew has thrilled crowds in Super Rugby with the Sunwolves, battled in England with Ealing Trailfinders and Worcester Warriors, and capped off his career in Major League Rugby with the Seattle Seawolves—helping them to a Championship Final. Somewhere in between, he found time to earn not one but two Blues at Oxford University, scoring tries in consecutive Varsity Match victories over Cambridge and even taking home a Man of the Match award—while completing his MBA.

Since hanging up his boots, Andrew hasn't stepped away from the game. He's taken on roles off the pitch, from developing rugby programmes to serving as a sports ambassador for the US Department of State. That combination of elite playing experience and organisational know-how is exactly what HKFC Rugby needs as we continue to raise our game.

As we welcome Andrew into the Rugby Section, we also welcome him into the wider HKFC community. If you spot him around the Club—whether in the stands, the gym or at the café—don't be shy. Say hello, talk rugby and maybe ask him what it's really like to play in front of 50,000 roaring fans.

## HISTORY MAKERS!

On a hot and humid day in Icheon, South Korea, Hong Kong China wrapped up yet another successful Asia Rugby Championship campaign in style, coming away as 70-22 winners against a determined Korean side.

More importantly, the result clinched their first-ever Men's Rugby World Cup tournament berth, meaning the likes of our Club men facing the world's best in Australia come 2027. Led by Club captain Josh Hrstich and Club coach Logan Asplin, Hong Kong China's attack flourished as they dismantled teams, emerging as worthy winners.

### Congratulations to our Club men:

Josh Hrstich (Capt.), Callum McCullough, Patrick Jenkinson, Jack Bartlett, Keelan Chapman, Pierce MacKinlay-West, Tyler McNutt, Tom Hill, Julien Bourron, Ben Axten-Burrett, Matteo Avitabile, Murray Brechin, Matthew Worley, Nate de Thierry, Jack Abbott and Anthony Coebergh.

	TEAM	TOTAL POINTS
1st Place	Hong Kong China	15
2nd Place	United Arab Emirates	10
3rd Place	South Korea	7

\*1st place advances to the Men's Rugby World Cup 2027. 2nd place enters a playoff against the runner-up from the 2025 Africa Cup.

## FROM UK'S TOPFLIGHT TO HONG KONG: MEET OUR NEW SIGNINGS!

Our Women's Premiership side, HKFC Natixis Ice have enjoyed a meteoric rise in recent years, from a 5th place finish in 2022 to two league titles and three Grand Championship finals in three years. With momentum on our side, we're hoping this year the girls can go one further and capture that elusive Grand Championship.

Helping them in their search is Head of Women's Rugby Hannah Edwards. She's entering her second season at the helm and will look to build on such a promising start to her tenure. Helping her cause are three new recruits from the PWR (Premiership Women's Rugby) league in England, the top domestic club competition in the world. You'll see them soon in the blue & white, and on the touchlines coaching our youth teams.

NAME	PREVIOUS CLUB	POSITION	ACHIEVEMENTS
Niamh Orchard	Exeter Chiefs	Second Row/Back Row	England U20s
Lauren Knowler	Ealing Trailfinders	Fly-Half/Centre	England U18s
Georgina Tasker	Exeter Chiefs & Loughborough Lightning	Back Three	England U20s & England 7s

# CENTAURS INTERNATIONAL MINI & YOUTH INTERNATIONAL RUGBY TOURNAMENT 2025

The loss of Tanglin's pitches had meant our regular tours to competitions in Singapore had instead required a hop over the border to Johor in Malaysia. So when our friends at Singapore Centaurs announced they would be hosting a tournament in Singapore itself, our Junior Youth teams jumped at the chance.

September is the start of the Hong Kong season, meaning little time to practice but that didn't stop an enthusiastic touring

party from u8, u9 and u10 signing up to go and take on Southeast Asia's finest.

For some of our players this would be their third overseas tour in 2025, reflecting how these experiences – such as playing competitively or, bonding with team mates, are such a key part of the joy they get as part of the HKFC rugby programme.

Read the next issue to hear how we got on!

# WELCOME TO THE NEW SEASON OF HKFC HOCKEY!

BY PAUL CHAN, CHAIRPERSON FOR THE HOCKEY SECTION

**W**e are gearing up for an exciting new season, and as the newly elected chairperson for the Hockey Section, there's a whole lot of excitement.

I am buzzing with anticipation and enthusiasm. We are poised for a year filled with growth, camaraderie and opportunities for silverware across our men's, women's and junior teams alike.

First, we extend our heartfelt gratitude to past chairperson Lynsey Edgar. Her outstanding leadership and dedication have laid a solid foundation for our section, and her contributions will be felt for years to come. Thank you, Lynsey, for your hard work and commitment!

This season brings exciting news: the return of our eighth men's team and additional sessions across the week for the youths. These expansions are a testament to the commitment of our members and reflect our goal of providing more opportunities for participation and competition. We look forward to witnessing new talents emerge and existing players elevate their game.

To our seasoned players, your dedication and passion are the heart of HKFC Hockey. Your commitment inspires us all to strive for excellence. For our newcomers, we're thrilled to have you join our hockey family and can't wait to see your contributions both on and off the pitch. And to our junior players—

you are the future of our club! We are dedicated to fostering an environment where you can develop your skills and grow to love the game.

This year, we have an array of initiatives planned to enhance your experience. From "town-hall" sessions that encourage direct dialogue with our executive committee to social events like tours, we aim to strengthen our community and create lasting memories.

Thank you for being an integral part of the HKFC Hockey Section. Here's to an amazing season ahead, filled with thrilling matches and cherished moments—hopefully topped off with a few more photos on the wall! Let's make this season one to remember!

## PLAYER PROFILE / DAVID EVANS HOMEGROWN AND BACK AGAIN

**1. You've just returned to the Club after playing hockey at uni—what was that experience like, and how does it feel to be back playing for your home team?**

I loved my time playing uni hockey. It was an amazing and rewarding experience where I was able to learn, grow and give back by captaining the uni first team. That being said, to come back and play for my home club again really is something special. Playing alongside my old coaches and people that went through the junior section just like me makes the Club feel like home.

**2. Your family has deep roots in this Club—with your parents both playing and umpiring here. How has their involvement shaped your own journey in hockey?**

My parents have been a massive part of my hockey journey, from taking me to the Club every weekend for U8 trainings to youth tournaments and lifts back home after late night national team

trainings. Their incredible and continuous support to this day has allowed me to play this sport and get so much out of it. I also think so many other families all playing hockey are such a great reflection of what Club hockey is all about.

**3. As an 'OG junior' who grew up in this club, what are some of your favourite memories from your early playing days?**

The Perth tours were some of my favourite memories. Going to Australia to play against some really good teams and just being on tour with your team was a great time.

**4. Now that you're back and playing in the A team, what are your personal goals for the 25-26 season, and how do you hope to contribute to the squad?**

My personal goal for the 25-26 season is to play as much hockey as I feasibly can. Obviously as you get older the amount of time you can dedicate to hockey gets taken up by other priorities. I still hope

to balance things as much as I can and help the team finish in a strong spot. The long-term goal is winning the league, but I think a lot of work needs to be done and we're still a couple seasons away from that.

**5. Having seen the Club from both a junior and senior perspective, what advice would you give to young players coming up through the ranks?**

My advice to junior players would be to never get comfortable and always push yourself. As in all walks of life, growth and development come from challenge. When I first started training with the A's and B's, it was honestly a pretty tough experience. Everyone was bigger, stronger and faster than me, and I'd go home from training completely miserable. But the next session was always a little bit easier. It's easy to be comfortable just as it's easy to be average. It was the encouragement, guidance and support I had from all my teammates and coaches that made all the difference.

## FEASANT PLUCKERS / **STILL PLUCKING STRONG IN SEASON 11**

BY ANTHONY FORD

The Feasant Pluckers have soared through their 11th summer season with the grace of a bird and the grit of a badger. With over 40 players joining across the Summer 6s and Mixed 11s League, the flock was in full force—sometimes resembling a well-oiled machine, other times more like a barnyard... but always having a good time.

We welcomed fresh feathers from the squash section, with Mark Low, Carmen Lee and Ashray Ohri trading rackets for sticks and proving that hand-eye coordination is transferable (mostly). Their energy and enthusiasm added a new bounce to our step—especially when chasing down loose balls or post-match beverages.

### **\*Farewells, Comebacks & Cookies\***

This season also marked bittersweet goodbyes to long-time Pluckers Karen Thorne and Rachel, who left Hong Kong in style. Their final matches were made extra special by their children Kristen and James joining the team—Kristen's cookies at the last game were so good that we briefly considered offering a permanent role for her baking alone.

Meanwhile, Sarah McGrath and April Cheng made triumphant returns after maternity breaks, reminding us all that motherhood builds stamina—and apparently, sharp-shooting goals. Ellie Micklewright captained our Tuesday 6s team with flair, keeping the flock flying high and the WhatsApp banter on key.

### **\*Leading the Charge & Digging Deep\***

Derek Siu, one of the original Pluckers, led our Mixed 11s team through a fiercely competitive league this year. His coordination, calm under pressure and ability to herd hockey cats (aka teammates) were nothing short of heroic. Under his guidance, the team dug deep, pulled off some epic comebacks and kept the spirit of the Pluckers alive and well.

From stunning goals to post-match socials, the Feasant Pluckers proved once again that summer hockey is about more than just the scoreline. It's about camaraderie, resilience, and the kind of banter that makes you forget you missed an open goal. Here's to another season of plucking brilliance—same time next year?

## WELCOMING DICK LAU AS DIRECTOR OF SQUASH OPERATIONS

It's an exciting time for the HKFC Squash Section as we proudly announce the appointment of Dick Lau as the new Director of Squash Operations.

Many of you already know Dick as a passionate coach, a familiar face on the courts and a dedicated contributor to our squash community. Now, in his elevated role, he brings that same energy and vision to the entire Squash Section.

*"I'm thrilled to share that I've been appointed as the Director of Squash Operations at the Club!" Dick said. "This role is a dream come true, allowing me to lead squash development, manage a talented team of coaches and organise exciting tournaments like the HKFC Junior Open and Club Championships. I'm eager to engage with the squash community, create inclusive programmes for all members and bring my passion for the sport to elevate the HKFC Squash Centre. With the support of the Committee and members, I'm ready to make a positive impact!"*

As DoSO, Dick will spearhead the Club's squash development, creating programmes tailored for all levels and age groups—

from juniors to seasoned players. His mission is clear: to promote a dynamic and inclusive squash culture that welcomes both long-time members and newcomers alike.

One of the key responsibilities of this role is to lead our talented team of coaches. Under Dick's guidance, the coaching team will continue to deliver exceptional instruction and support, aligned with a development plan that benefits every corner of our squash community.

Tournaments remain a major pillar of squash at HKFC, and Dick will take the lead in planning and executing events such as the HKFC Junior Open, HKFC Masters Open, International PSA tournaments, and of course, our much-loved internal competitions like the Club Championships and Handicap Tournament. He'll also coordinate matches against visiting clubs, ensuring the club continues to be a hub for high-quality squash.

Please join us in congratulating Dick on this well-deserved appointment. The courts are in good hands, and we can't wait for the season to get started.

### IN LOVING MEMORY OF TOM TANG

The Club is deeply saddened to share the passing of Tom Tang, former Chairman and Captain of the Squash Section. Tom passed away peacefully on the morning of Monday, 23rd June 2025, after a long and courageous battle with cancer.

Tom was a beloved member of the HKFC community, known not only for his contributions to squash, but also for the warmth, generosity and quiet strength he brought to all aspects of Club life. Tom's leadership within the Section was both impactful and enduring. He served first as Captain of Squash and later took on the role of Chairman.

Tom and his wife May joined the Club in the early 1990s after relocating to Hong Kong from Petaling Jaya, Malaysia. Since then, both have been steadfast supporters and familiar faces in the Squash Section and beyond. Their children, Peter and Jennifer, quite literally grew up within the Club's walls. We extend our deepest condolences to May, Peter, Jennifer and the entire Tang family. He will be greatly missed and forever remembered.

# MEET YOUR 2025 WORLD AQUATICS MASTERS CHAMPIONSHIPS TEAM

**T**he Swim Society pulled out all the stops for the biennial World Aquatics Masters Championships in Singapore, held from Thursday, 7th August 2025 - Thursday, 14th August 2025. This championship is a mass participation event featuring five aquatic sports of swimming, water polo, diving, artistic swimming and open water swimming. The event is open to international and local participants aged 25 and over, and attracted more than 6,000 competitors from 100 countries to Singapore.

It was the biggest team ever in club history with nine men and six ladies entering the swimming and open water swimming events. The competition pits swimmers against the best in the world. With countless personal and national records set, HKFC's swimmers made their mark. What was most visible was the great team spirit, dedication and commitment to excellence in Masters swimming.

## THE CLUB WAS REPRESENTED BY:

MEN	WOMEN
Simon Holliday	Farah Master
Marcel Smit	Alison Tam
Robin Leung	Melissa Eichelberger
Kelvin Chiu	Janet Wu
Man Hon So	Lucy Barton
Anthony Lo	Christina Sjöholm
Edmund Wan	
Patrick Ip	
Peter Inglis	

## PERSONAL BESTS

Competition swimming is a notoriously difficult sport to continue to excel in at masters level. Having said this, we had over 20 personal bests (including a mix of lifetime and masters PB's) which is a testament to our team's commitment to hard training and continued motivation. Well done to the following swimmers for their own personal bests: Robin, Edmund, Marcel, Man Hon, Farah, Janet, Anthony, Christina, Melissa and Kelvin.

## INDIVIDUAL ACHIEVEMENTS

Marcel smashed five HK Records: 100m Free (53.36), 200m Free (2:02.50), 50m Free (23.96), 100m Fly (57.83), and nabbed a bronze medal in the 50m Fly (25.93)

Farah secured two silver medals in the 100m Free (1:01.78), and 200m Free (2:15.77), and set HK records in the 50 Fly (30.07) and 100 Fly (1:07.66)

Alex Fong won gold in 200 backstroke, 200 IM and 400 IM and claimed the HK masters record in the 200IM event.

Christina won bronze in the toughest 400 IM event (5:53.10) and earned top 10 finishes in the 200 Back, 200 IM, 100 Back and 50 Back.

Alison earned top 10 placings in the challenging 400 IM, 50 Fly and 100 Back.

Kelvin set a new HK record for the 50m breast (32.01) while Anthony also hit his personal best with (32:75).

Our top 10 finishers also include: Robin 800 Free, Peter 100 Breast, Melissa 50 Free.

## RELAY ACHIEVEMENTS

On the final day of the competition and after many of our swimmers had competed in multiple races, there were still the relays to go. Our teams have been practicing relay takeovers for weeks prior to ensure tight takeovers were delivered and executed perfectly. This paid off, and the club broke three Hong Kong relay records including the following:

- 4 x 50 Women Free Relay (160 age category) winning a fantastic bronze in a HK record time of 1:54.00 (Melissa, Christina, Alison and Farah)
- 4 x 50 Women Medley Relay (120 age category) broke their own record set last year by nearly 3 seconds in a time of 2:07.83 (Christina, Lucy, Farah and Melissa)
- 4 x 50 Mixed Medley Relay (160 age category) in a time of 1:59.67 (Christina, Kelvin, Man Hon and Melissa).

A shout out must go to Farah for swimming through a stress fracture in her foot. Despite the injury, she helped secure two of these records on the final day. Well done to these teams for their incredible results and proving their dominance in the Hong Kong relay scene.

Open water swimming specialist, Simon Holliday was the only HKFC participant to take part in the 3km open water event in Sentosa on the southern tip of Singapore. Against a competitive field, he managed 20th in a time of 59:03.

Massive thanks to our coaches Dominic Tsui and Craig Nortje for helping the team perform at such a high level. Kudos to all the society members who volunteer their time to help make this society what it is.

## OCEANMAN 10KM IN KOTA KINABALU, MALAYSIA

The Oceanman Kota Kinabalu 2025 is a highly anticipated open water swimming event, and Simon Holliday represented HKFC S&T society in this diverse competition set in the beautiful, but unpredictable, waters of Malaysia.

Simon competed in the Master 40-49 category of the full Oceanman (10km), where he faced off against swimmers from many different countries. Despite the challenging race, Simon finished second place in his category, clocking a time of 3:05:24. Swimmers had to navigate through waves and varying currents, and Simon's ability to adapt to these conditions played a significant role in his strong finish.

### HKS&T SOCIETY SPORTS AWARDS WINNERS 2025

## CONGRATULATIONS TO OUR SUPERSTARS FARAH MASTER AND MAYANK VAID!

Trading goggles for glam at this year's Sports Awards Gala

We're proud to celebrate our two remarkable athletes, Farah Master and Mayank Vaid for another year of triumph.

Master joined the society in 2014 and has broken multiple Hong Kong records during her time, such as the 25m, 50m, and 100m Butterfly (long course), along with a record in the 100m Individual Medley (short course) just this past year. In addition, our society's achievements in breaking many HK relay team records can be attributed to her incredible speed. She continues to inspire our swimmers with her dedication to training and commitment to the society. Congratulations Farah for these amazing achievements!

Mayank Vaid is a remarkable athlete who has made a name for himself in the world of ultra-endurance sports. Less than 100 people have ever completed the solo Enduroman Triathlon, which involves running from Marble Arch in London to the coast of Dover, swimming the English Channel to France, and cycling to the Arc de Triomphe in Paris. In 2021, Mayank broke the record for this gruelling challenge, finishing in just over 50 hours. Mayank also showcased his resilience by earning a qualifying spot for the Ironman World Championships in Nice this September. Additionally, he completed the 4Trails Ultra, a 298km non-stop trail run across three trails in Hong Kong.

# SUMMER ROUNDUP

## JULY 2025 / WASHED OUT BUT NOT WASTED

July wasn't kind to us on the weather front, with three golf events in a row rained out as Hong Kong battled against the elements. Typhoons and rain warnings put a stop to the outings. A tough run of luck, but the spirit of the group didn't falter. With clubs staying dry, we made the most of the extra time to catch up over drinks and a few laughs.

## COACHES' CORNER HEAD COACH JOHN LEUNG'S TRIP TO MALAYSIA

I feel very proud of the dedication and commitment shown by the young players who participated in the recent Ampang Jaya training camp. It was a valuable experience that gave them the opportunity to improve their technical skills and competitiveness in a professional and focused training environment. The Haier Junior Tournament served as an important platform for these young athletes to test their ambitions at a higher level and showcase their potential to coaches and officials.

My meeting with Dicky Palyama, a former professional player and experienced coach, was particularly meaningful as it allowed us to exchange ideas and training approaches that can be adapted to enhance our squad's performance. Dicky shared many insights on mental preparedness and tactical awareness, which are crucial for young players facing increasingly tough competition.

Additionally, the extra training camp organized with New Vision Badminton Club demonstrated our commitment to building a strong foundation for players from grassroots levels toward excellence. With continuous support and well-structured training strategies, I am optimistic that this collaboration will produce more talented players capable of shining on the international stage.

Overall, these training camps and activities not only hone technical skills but also foster a strong fighting spirit and discipline among the players. I extend my gratitude to everyone involved and hope that our journey in developing badminton continues to be blessed with success in the future.
