

NOTICE TO MEMBERS

Temporary Suspension of Reciprocal Club Visitors Rights

Due to the current and ongoing global COVID-19 outbreak, as of today's date Saturday 14th March 2020, as a further precautionary measure and until further notice, it has been decided to temporarily suspend Reciprocal club's members from accessing the Hong Kong Football Club.

Members and their guests are reminded that a duty of care still exists where, if you show signs of a respiratory illness you should seek medical advice before looking to come to the Club. Similarly if you, or your guest(s), have recently been to an affected region around the world in the last 14 days, please do the responsible thing and seek medical advice before coming to the Club.

For information as regards the affected regions and to ensure you are regularly updated please go to this [Government webpage](#).
