

NOTICE TO MEMBERS

Easing of COVID-19 Restrictions

As I am sure many of you will have heard Government announced yesterday the relaxation of a number of Social Distancing Measures both for Food and Beverage as well as for Sports and Recreation. Government further announced revised access/entry arrangements to the Club. This will mean that **from Thursday 18th February 2021 onwards that Members and Guests will be required to either scan the Leave Home Safe QR code which is available at the Front Entrance or to sign in on an individual entry form**, also available at the Front Entrance. Security Guards at the Front Entrance of the Club will look to ensure everyone scans the QR code or signs in on the form. Please assist Security in complying with these new Government regulations.

From a Food and Beverage perspective this will now mean that **from Thursday 18th February 2021 onwards that the F&B Outlets will be able to remain open until 10pm and numbers at table will increase to 4 pax** but the 50% user capacity for each F&B outlet will remain in place. Please [click here](#) to see the revised opening hours for the F&B Outlets.

From a Sports and Recreation perspective most of our Sports and Recreational facilities will open as from Thursday 18th February onwards except for the Swimming Pool Complex, Sauna and Steam Rooms and Children's Playrooms which, unfortunately will remain closed until further notice. **Bookings for the Sports and Recreation facilities will be able to be made from 6pm onwards today Wednesday 17th February 2021**. Please [click here](#) to see the opening times and user capacities for the Sports and Recreational facilities. I would note that the Rugby/Soccer Pitch and Hockey Pitch will open in accordance with specific user conditions and these have been made known to the respective Sporting Sections that use these facilities.

I would like to wish you all a Happy New Year of the Ox.

Kung Hei Fat Choy!

Stay Safe and Healthy.
