

NOTICE TO MEMBERS

COVID-19 Preventative Measures

Dear Member,

Unfortunately, we have just been made aware that the Club was recently visited by a person who was COVID-19 infected. As such, and with an abundance of caution, it has been decided that the Club will close for two days in order deep cleaning of all Club facilities can be undertaken. The Club will therefore close from Sunday 28th February with reopening on Tuesday 2nd March at 7am.

Michael J Wood
