

# NOTICE TO MEMBERS

135th Anniversary

## COVID-19 Preventative Measures

Dear Member,

Arising from one of our staff testing preliminary positive for Covid upon arriving back from an overseas trip, Government have issued a Compulsory Testing Notice.

Please click [here](#) to read the Notice.

In accordance with the Notice, all of our affected staff will be tested and I would urge all members who were present at the Club at the times indicated in the Notice to likewise arrange for a Covid test.

Michael J Wood
