

NOTICE TO MEMBERS

Further Easing of COVID-19 Restrictions

Based on the latest update from Government, the opening hours for the Club and its facilities remain the same as beforehand but from **Friday 18th September onwards our closing time will change to Midnight**. Please see the list of facilities below where revised closing times have been added in where applicable. Government have decided to allow more of our Sports and Recreational facilities to reopen from Friday 18th September onwards specifically the **Swimming Pool Complex**. This facility and its opening/closing times and user conditions are noted below. **In this respect I can say that the Government have now lifted the regulation to have to wear a face mask whilst exercising or playing sport. However, as beforehand, you are still required to wear a face mask in other areas of the Club and to keep to the various social distancing measure we already have in place.**

Unfortunately, the Jacuzzis and the Sauna and Steam Rooms remain closed until further notice. The Children Playrooms will also remain closed until further notice. The Golf Simulator Room remains closed for renovation work and the installation of new Simulators (opening is scheduled for mid-October 2020).

THE CLUB WILL OPEN AT 6:30AM AND WILL CLOSE AT MIDNIGHT

Monday to Sunday

Main Pool: 7am – 9pm / Children's Pool: 7am – 7pm

Government have regulated that we can only have usage of up to 50% of the capacity of the Pool(s) and the Pool surrounds. Given the significantly reduced capacity of the Pool(s) and the Pool surround areas particularly at weekends, please try to think of other members and look to be reasonable as to the amount of time you spend at the Swimming Pool Complex. Whilst we do not want to have to impose a limit on the time you spend at either the Pool(s) or the Pool surrounds, a time limit will be put in place if deemed necessary. A mention too that the Pool Lifeguards (and members of Staff from the Sports Department) manage the Swimming Pool Complex so please, look to their direction at all times.
